

Pingla Thana Mahavidyalaya

An Invitation To Experience The Fun, Challenge And Depth Of Doing Science

School students who want to learn the competitive spirit and fight amongst each other in a healthy way, are invited in the Science Olympiad (Mathematics, Physics & Chemistry) organized by Pingla Thana Mahavidyalaya.

This initiative has been taken in order to make science interesting and beautiful in its own right, among all students. Also the competition aims to motivate students to take part in the national, international level Olympiad programs.

The Olympiads do not lead directly to any career benefits; rather, they provide a stimulus to begin a career in science or mathematics, to undertake a lifelong journey into the realms of exciting intellectual challenges.

Last Date for registration: 16th July, 2019.

Eligibility:

Junior Level: 9th and 10th students

Senior Level: 11th and 12th students

Awards:

The first, second and third rank holders in both the levels will be rewarded by the Pingla Thana Mahavidyalaya.
